God - Wikipedia God is most often held to be incorporeal (immaterial). Incorporeality and corporeality of God are related to conceptions of transcendence (being outside nature) and immanence (being in nature) of God, with positions of synthesis such as the "immanent transcendence. God - Simple English Wikipedia, the free encyclopedia According to certain religions and mythologies, God is the creator of the Earth and of everything else. Hinduism says that there is one God who can come in many forms. Theists believe that God created everything that exists and has ever existed. Chuck Is God - Supernatural Wiki - Super-wiki Lucifer sees God for the first time in millennia and remarks that he changed, God says the same thing and instantly heals the wounds he had to endure from Amara's torture. 11.22 We Happy Few God tells Lucifer about how he healed him and to be reasonable, but he doesn't want to hear it.

God | Supernatural Wiki | FANDOM powered by Wikia God, initially known to Sam and Dean as Chuck Shurley, is a powerful primordial being who created the universe and nearly everything it contains, including the human soul. Amara, his older sister, is the only entity surpassing his power, with the Horseman Death, prior to his demise, being comparable to him in power. Who is God? - GotQuestions.org The fact of God's existence is so conspicuous, both through creation and through man's conscience, that the Bible calls the atheist a "fool" (Psalm 14:1). Accordingly, the Bible never attempts to prove the existence of God; rather, it assumes His existence from the very beginning (Genesis 1. God in Christianity - Wikipedia God in Christianity is the eternal being who created and preserves all things. Christians believe God to be both transcendent (wholly independent of, and removed from, the material universe) and immanent (involved in the world.
